Dr. Allen when I was home
for a day last week where my
2 brothers and father and mother
and I were to gether for the first
time in 37 years. they told me
of the nice tribute you paid
me at Burlington High School
auditorium when you were a
guest there not long ago.

Dr. you don't know how much
good that did my folks and
brothers to hear those nice thing
about their son & brother. I'm
glad you felt like saying them
and I shall ever be grateful to
you for the joy you brought to
their hearts. Griff.
