Dear Johnny:

I find that I have not checked up your latest mailing address so I am sending you the latest issue of our Jayhawk Rebounds thinking maybe the other one is still in the process of getting to you.

We enjoyed your fine letter of February 16. It was very interesting and I was glad to hear from Ensign Jeffers and from Ensign Kenny Messner. After Kenny left Kansas he went down to Texas, then migrated to Kansas State where he played against us a couple of years ago. Give both boys my regards.

After Mrs. Allen and I read your good letter Mrs. Allen put an N.B. on it: "Forrest, please mail this letter with a note to Mrs. Robert B. Glenn, 301 Washington St., Beardstown, Illinois." So I am following her mandate. I wish that I might have more time to write you a longer letter at this moment, but I have charge of the Douglas County Red Cross war fund drive and am also member and secretary of the Douglas County Selective Service Board, so I will have to make this brief to take care of these letters that have piled up on my desk.

The obituary of the basketball team is enclosed herewith. Since writing the Rebounds we have defeated Nebraska, Kansas State and Missouri, and lost to Iowa State, finishing with five wins and five losses - just the half-way point. This is the lowest we have finished for y'ars and y'ars. But I am not feeling too badly about it since this is a war year. Nothing counts only whipping those squareheads and slit-eyes. We will be tickled to death when the fuss is over and you and all the other boys can return to normal living. What a great day that will be!

With all good wishes and the best of luck in every way to you,  
I am

Sincerely yours,
