Dear Dr. Allen:

The Huntington Laboratories are planning to get out their Digest again this year. They are asking your permission to reprint the article which you wrote for our February 1943 issue on, "Rapid Rolling Offensive Triangle Merging a Set and Moving Screen."

They would like a photo print of you and a biographical sketch such as you would like to have used in connection with the article.

A stamped addressed envelope is enclosed for your convenience.

Yours very truly,

A. K. Griffith
