

The war is going about the  
same with me. It wouldn't  
surprise me at all if I  
get sent over as a part of  
an army of occupation  
since I've never been overseas  
yet. I wouldn't like it,  
but I guess it would be  
heaven compared with what  
some of the boys have gone  
thru.

So I thank you a lot  
for your trouble and I hope  
to see you soon.

Respectfully  
"Libby"
