Dear Dr. Allen:

Perhaps you wonder what I'm doing down in this part of the state. At present I'm instructing in the Air Force Intelligence School here. It's only for two or three weeks however, so you needn't change my address. I'll be back at Tyndall Field and the old gang shortly.

I hope to be able to get home for a football game or two this fall. My leave is 3 months overdue, but military need wouldn't permit. So in case everything goes well perhaps I can get home late in Sept or early in Oct.

Denny might get home around that time. He mentioned something about coming back to the states to school. I imagine it would be for B-29 training but nothing definite was
