Dear Dr. Allen:

We are preparing for publication a complete football schedule of all college and service teams for the 1943 season.

We would appreciate receiving your football schedule at this time.

If it is possible for you to notify us of any later changes, we would appreciate your doing so.

Also, we would like to be placed on your mailing list for all publicity releases on both football and basketball, in the event that we are not already on your mailing list.

A copy of the complete football schedule will be sent you upon publication.

Thanking you for your cooperation in this matter, we remain,

Yours very truly,

GORHAM PRESS
