Dear Phog:

I have followed your current team in the news and from reports you have your "as always" winner. Good luck to you the rest of the way and hope to see you at Ames this winter.

I wonder if I am out of line in asking a small favor? I have been trying to get into Com. Haulton's Phy Ed program in the navy since last September - I believe I am making some progress. All of my papers are now in Washington and I have been recommended for a commission by the 9th Naval Dist. Office in Chicago. I would appreciate it a great
