

January 29, 1943.

Miss Ruth Hoover,
Miss Jean Bliss.

Dear Miss Hoover and Miss Bliss:

I want to thank you for your consideration in withdrawing Miss Margaret Gurley from physical education classes. This merely saved the action by Dr. Canuteson and in this way it was not in the least embarrassing.

Thank you for your kindly cooperation in helping us in the initial start.

Sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.
