Dean D. M. Swarthout,  
School of Fine Arts.

Dear Dean Swarthout:

This is a follow up on the case of Margaret Gurley. I met with Miss Hoover and Miss Bliss and Miss Gurley yesterday afternoon and asked them on my own personal recommendation to withdraw Miss Gurley from the course. Lawrence Woodruff called me and said the withdrawal would have to come from the teachers. So I think we have ironed it out all right.

Cordially yours,
