November 17, 1942

Dr. Forrest C. Allen  
Kansas University  
Lawrence, Kansas

Dear Dr. Allen:

If you have one available, I would appreciate having one of the books you call your "Basketball Bible".

I was certainly interested in your demonstration at Dodge City last year and believe you are doing a fine piece of work as a basketball coach. I would like to brush up on your plays and valuable suggestions, so if you will please send me the little book I will gladly send you the price of it and postage.

Very truly yours,

*Thomas A. Gruver*
