Dr. Delio A. Gonzalez,
Director of the National School of Education,
Apartado No. 1111,
La Habana, Cuba.

Dear Dr. Gonzalez:

Your letter of January 29th, which was first received by the Chancellor's Office, has been referred to me for reply.

I am very happy to send you a pamphlet which has been prepared for the guidance of students who desire to major in our Department of Physical Education. The description of the courses will, I believe, give you the information you desire regarding our work in this field.

If we can help you further, it will be a pleasure to hear from you again.

Very sincerely yours,

Director of Physical Education and Recreation,
Varsity Basketball and Baseball Coach.
