Dear Sirs:

The "Federal Security Agency U.S. OFFICE  
OF EDUCATION", of Washington has given me  
the name of your Institution as one of those  
which in your country are devoted to the pre-  
paration of teachers of physical education.

I am very much interested in knowing  
the organization of your work in this  
field. I therefore beg you to send me  
your publications and printed matter deal-  
ing with courses of study, textbooks, pam-  
phlets, magazines, etc., relative to this  
matter.

Awaiting information from you, I beg  
to remain,

Very truly yours,

Dr. Delio A. González  
Director of the National  
School of Education
