

February 11, 1942.

Professor W. H. Shoemaker,
Department of Romance Languages,
University of Kansas.

Dear Dr. Shoemaker:

The Registrar's office has forwarded to me your translation of a letter from the Department of Education of the Republic of Cuba in which they request printed material devoted to the preparation of teachers of physical education.

We are happy to respond to their request, and I wish to thank you for your courtesy in translating the letter.

Very sincerely yours,

Director of Physical Education and Recreation,
Varsity Basketball and Baseball Coach.
