Mr. Joe Gilbert,
Municipal Airport Restaurant,
Kansas City, Missouri.

Dear Joe:

It was awfully nice of you, Joe, to write me as you did. I appreciated greatly your fine letter and I assure you it makes me feel mighty good.

I did not see the piece in the paper, but you can bet that on any team I have picked I would not leave off Paul Endacott, Charlie Black, Tus Ackerman, and, I will admit that I have to string along with Bob.

Again, many thanks.

Fraternally,
