Ever since I saw your team in action ,Phog,
at the Auditorium last Saturday night
I have intended to drop you a little note
of commendation or whatever you want to
call it for the usual good team you al-
ways have year after year. But further
than that I want to sincerely congratu-
late you for the wonderfull and enviable
record you have made in your years of
coaching at K U. I have never gone
to see any one of your teams play but
what I was fully entertained. I
was also interested to note in the pa-
per who you thought were the best players
that had played under you at KU. I too
would have picked Endacott-Black-Bobby
Allen and Tus Ackerman. I hope in the
years to come that your teams will go
on ringing the bell of the championship
doors as I know they will. Congratulat-
you again as the "world's greatest basket-
ball coach" and wishing you always the
very best of good wishes, I am,

Cordially yours,

JOE GILBERT
