

June 19, 1942.

Mr. Ralph Graber,
Liberty Memorial High School,
Lawrence, Kansas.

Dear Ralph:

You do some very clever little jobs or printing there in your high school print shop, and just now I am acknowledging receipt of the blotter containing a quotation from Commander Peary, "I will find a way or make one".

Keep up the good work!

Sincerely yours,

FCA:AH

Director of Physical Education,
Varsity Basketball Coach.
