

October 6, 1941.

Mr. John H. Glenn,  
710 East 4th St.,  
Beardstown, Illinois.

Dear Johnny:

Happy indeed to have your letter of the 6th instant. The address of Bob is Room 44 Morris Hall, University of Pennsylvania, Philadelphia, and Eleanor is at room 415 Sargent Hall, 34th and Chestnut, Philadelphia. I know they would be delighted to see you.

Yes, Mrs. Allen and I are in the best of health, but we just rattle around in that big house like a couple of dry peas in a pod. We don't need to ring a bell to locate each other - if we just keep still we can hear the movements of the other.

The varsity basketball team is progressing in good shape. John Buescher is doing splendidly, and we think he is going to have a great year.

Give our love to the Glenns and the Kuhls.

Sincerely yours,

Director of Physical Education and Recreation,  
Varsity Basketball and Baseball Coach.
