Dr. Forest C. Allen,
c/o K. U. Athletic Assoc.
Lawrence, Kansas

Dear Dr. Allen:

The price of our Kapseal Combex has all ways been higher than the product you refer to.

However, I believe you will find that Kapseal Combex is 33% to 50% higher in potency in several of the important factors.

I would appreciate you comparing the two products as to their potency, before buying.

Kapseal Combex

Vitamin B (1)	500 International Units
Vitamin B (2)	200 Sherman Units
Vitamin B (6)	250 Gamma
Pantothenic Acid	300 Gamma
Nicotonic Acid	5 Mg.

Sincerely,

Tom Cropper
