Mr. John Harris Glenn  
c/o National Association Ice Convention  
New Orleans, Louisiana

Dear John:

Your good letter of the 19th instant made me happy. I am glad that we are going to get to see you sometime soon.

Mrs. Allen and I will be in Toledo on the first of November, and we will drive down to Chicago at least part of the way that night, and get into Chicago Saturday morning. We have not made hotel arrangements but I imagine it will be the Stevens, or again we may stay at one of the other hotels. After talking with Mrs. Allen we will make a definite decision and I will have you send my tickets to a Chicago hotel.

I am taking the phone numbers of your Aunt's and also the Lomborg's, and I will get in touch with you when we arrive. It might be just as well for you to retain those tickets until a little later date, and we will make arrangements so that they will be left in a convenient place with the fewest possible opportunities for air.

This is just merely a little thank you note to let you know that we are happy we are alive and you are such a swell fellow. Take care of yourself and do not drink too much milk in New Orleans.

I am sure by writing this to the headquarters of the National Association Ice Convention that they will see one of the directors gets it pronto. Lots of good luck, John.

Very cordially yours,

Director of Physical Education and Recreation  
Varsity Basketball Coach
