I will do my best to secure the most select seats for you and Mrs. Allen, that are available and I assure you that this can be done with the least possible effort, therefore, drop me a line giving me the details of your stops, including the names of the hotels, or other living address, and everything will be arranged for us to get together in Evans-ton as well as in Beardstown some time between November 1 and November 7. Please give my kindest personal regards to Mrs. Allen, Eleanor and Bob and save a good "hello" for yourself.

Cordially yours,

John H. Glenn,
JOHN H. GLENN

P. S. Leaving Monday noon for New Orleans on the Panama Limited to attend the National Association Ice Convention. Will be back Monday, October 28.
