F. C. Allen
Director of Physical Education
Varsity Basketball Coach
Kansas University
Lawrence, Kansas

Dear Dr. Allen:

I wish to thank you for the job during the summer. The money which I have coming from that source will help a lot.

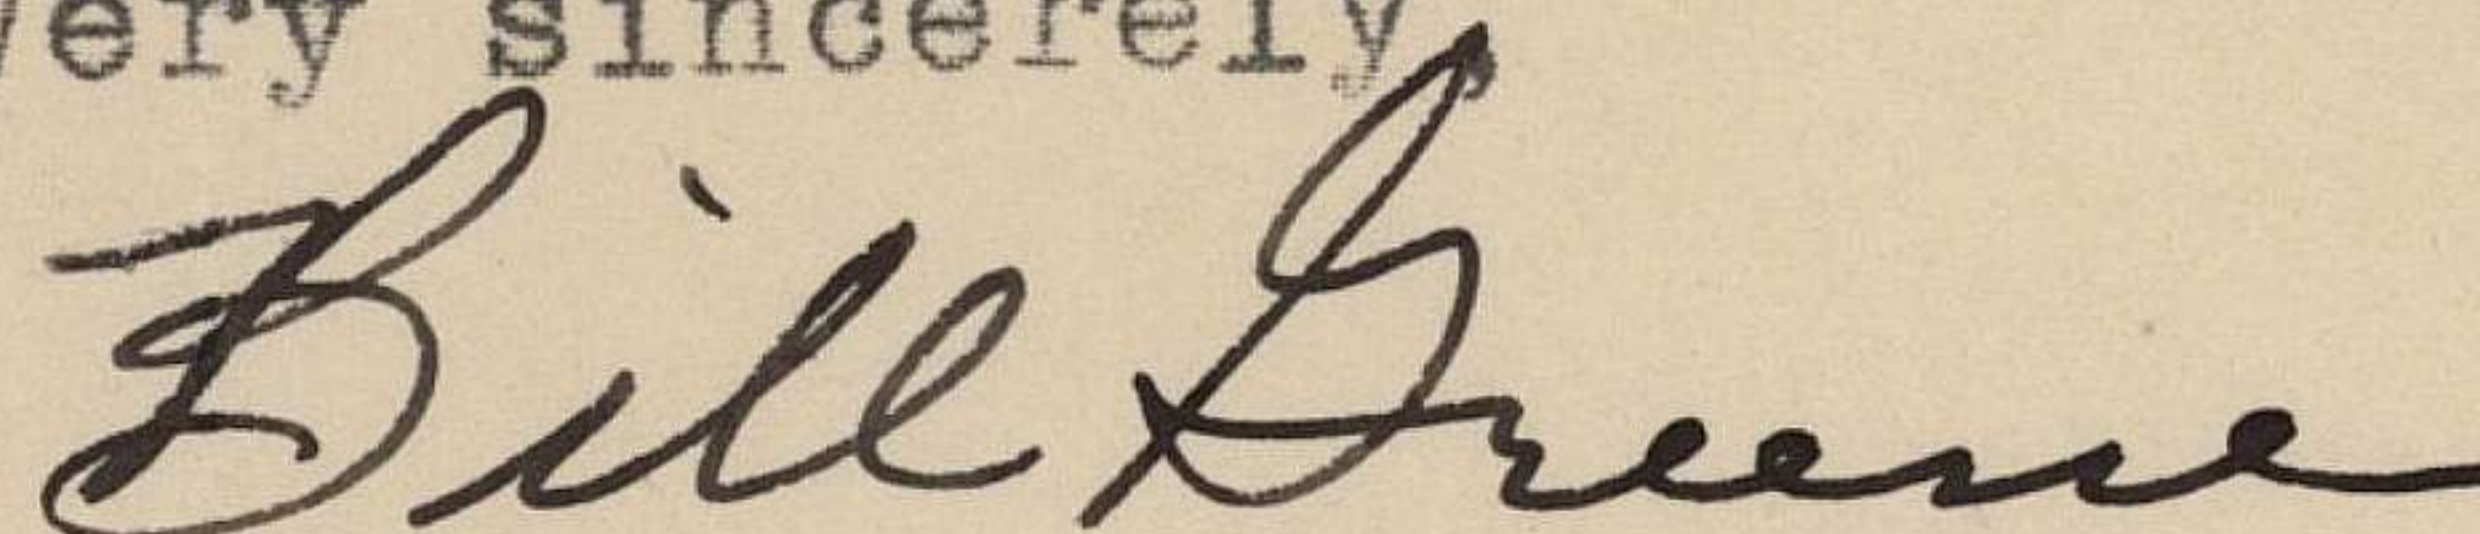

In regard to the amount that I have coming there seems to have been some error. I received my check today for the period June 20, to July 20. The check I received, and which I am enclosing to you, was in the amount of \$1.75. According to my figures I have almost \$10 dollars due me for that period, or thereabouts. I kept no accurate account since each time I worked I filled out one of the slips there in your office. I presume that some mistake in the bookkeeping has been made, or, perhaps the other amount due me is to be added onto the check for the work done after July 20.

I wonder if your secretary could check up on this matter, and if my time was overlooked might it not be added on to that amount due me from July 20 to the end of summer school.

I am sending the check in order that you may see it and that perhaps it may serve in checking to determine the error.

Thank you again for the job and the help. I appreciate very much your interest and counsel. I left the basketball which I had checked out to me with Dr. Elbel.

Very sincerely

J. W. 'Bill' Greene
