ATHLETIC COMMISSION
TOPEKA

Dear Phog:

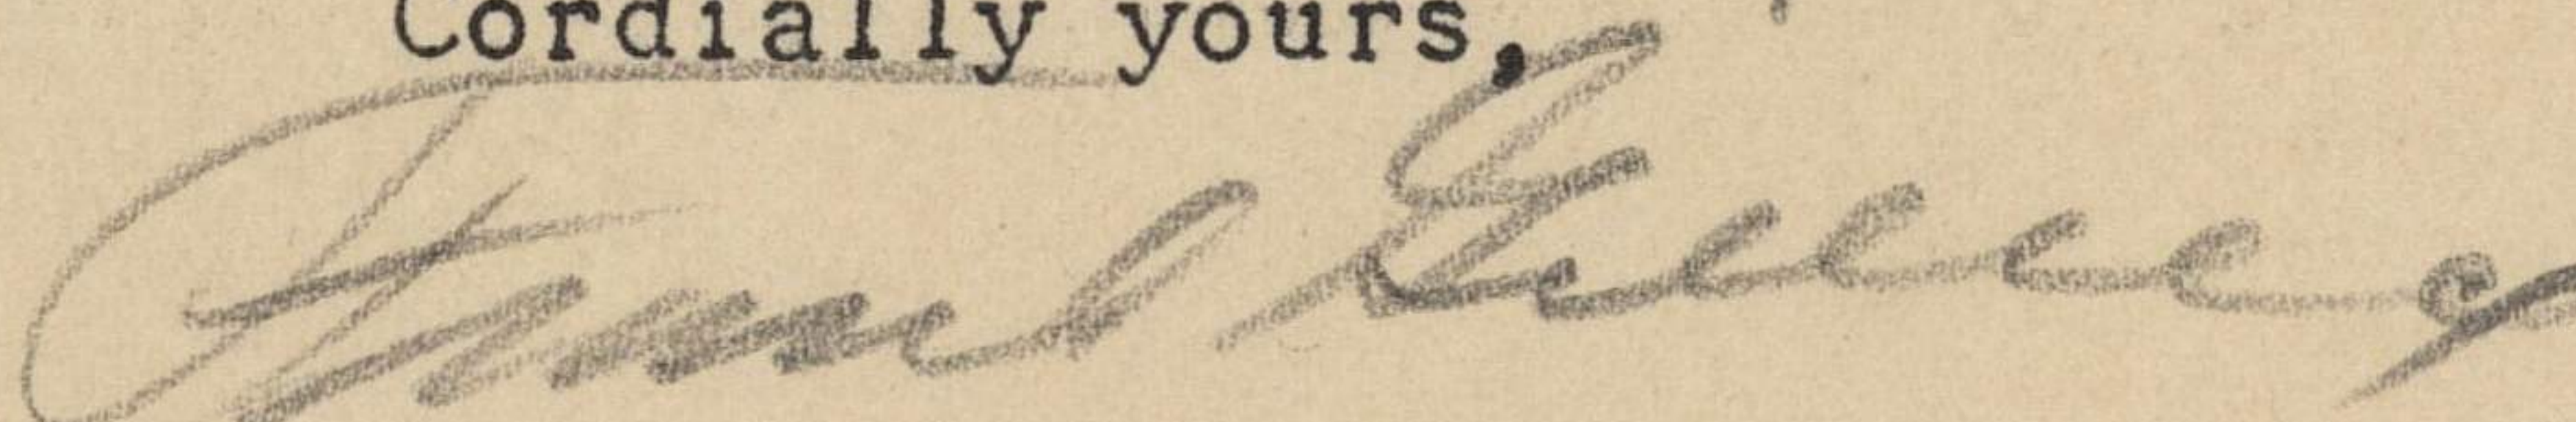

Replying to your note of August 11th will say that I do not know why Mr. Bolich contacted you relative to the convention. I surmize that inasmuch as Phil Bolich was a member of the Winston-Salem Commission sometime ago for several years but has recently been reappointed after two or three years absence he probably used an old list that carried your name as a member or possibly chairman of the Kansas Athletic Commission.

Owing to the lack of finances the National Boxing Association has not kept its members completely informed when there are changes in the personnel of the various commissions. In fact with our sister State of Missouri while I have been told there are two changes made in the last few months on their Commission I do not yet have the names of the two new members.

I understand that Bill is out of the hospital and is coming along as well as can be expected and I sincerely hope that this information is correct.

With highest personal regards to yourself, I am

Cordially yours,

Frank Gilleece
Executive Secretary
