Dear Bill:

I have just returned from spending a week in Iowa where I was one of the instructors in the Iowa High School Athletic Association Coaching School. I am glad to know that the financial end of your Summer Session work has been straightened out.

I am happy to know that you are settled at Smith Center, and I hope that Mrs. Greene is feeling well.

It was indeed a pleasure to have you with us this summer and you are more than welcome to the use of the basketball. We are always welcome here as we consider you one of our boys, and a very dependable one at that.

With kindest regards and best wishes to you and Mrs. Greene, I am

Very sincerely yours,
