

August 19, 1941.

Mr. J. W. Greene,
207 E. Kansas,
Smith Center, Kansas.

Dear Bill:

Your letter of the 18th, together with the time slips for your work during the Summer Session, was received this morning. I have included your name on the August payroll for \$9.63, and I am glad we have this matter straightened out to your satisfaction.

Dr. Allen is in Iowa this week attending the coaching school, and for that reason I am acknowledging your letter. Your check for the above amount will probably be sent to you about the 10th of September.

Sincerely yours,

Secretary (pro tem)
