Dear Doctor Allen:

Your splendid recommendation to Mr. Shepherd played an important part in my getting the assignment as life guard to the city pools. As the pay is very good, I'm looking forward to a pleasant school term next fall.

Enclosed are two receipted bills which I paid for the department the day before I left. I hope the delay in returning them has not caused any great inconvenience.

I really appreciate your help and shall do my best to merit your recommendation.

Sincerely

Curvin
