Dear Dr. Allen:

No doubt you have heard from Mrs. Allen of my approaching visit to Kansas City to assist you in the "play offs" to be held at Kansas City on Friday and Saturday of this week.

According to the present plans I will arrive at the Hotel Muehlebach, where I will make headquarters, sometime on Thursday afternoon. The writer intends to be busy on Friday afternoon in the office of The H. D. Lee Mercantile Company, but all the other time during my stay in K. C. I will be available to help you personally.

In the excitement of announcing my approaching visit I forgot to mention how pleased I was to have the boys come through for you against the Oklahoma A. and M. Team. To think of beating such as the Aggies two times in one season is almost unbelievable, especially when you think of the eligibility rules existing in their conference. Hats off to you again. Be sure to tell your squad members how proud I am of them and that I hope to bring them luck during my stay in Kansas City.

Sincerely yours,

John H. Glenn.
