Dear Major Griffith:

I am going through Chicago on Sunday night enroute to Cleveland, Ohio, where I will have a rules interpretation meeting with Floyd Rowe for his district. "Ole" Olsen, of Ohio State, is coming over to talk N.C.A.A. basketball tournament with me some time Monday night or Tuesday morning.

I am wondering what time you get down to your office Monday morning. I am leaving Chicago on the New York Central for Cleveland at 9:50 a.m. If you could indicate to me what time I might see you before train time I would like to have a short visit with you.

Very sincerely yours,

Director of Physical Education and Recreation,  
Varsity Basketball Coach.
