

November 21, 1939.

Mr. Dale Garrison,  
1319 Tennessee St.,  
Lawrence, Kansas.

Dear Dale:

Once upon a time there was a young man who turned in his time slips without his name being written thereon. It took a Sherlock Holmes to solve the mystery. He compared the hieroglyphics on the time slip with some of those engineering terribles.

Sincerely yours,

Director of Physical Education and Recreation,  
Varsity Basketball Coach.
