

November 23, 1939.

Mr. John H. Glenn,
Beardstown, Illinois.

Dear John:

If you play golf, bring your clubs along with you tomorrow. Bill Robinson, of Medarts of St. Louis, is coming in and wants to play some golf, and I thought we might get together out at the Country Club.

I have to be in a photograph with second generation students at 11 o'clock Saturday morning, but I thought we might go out early to play.

If you do not play golf, we have plenty of activities to interest you. We will expect to see you either at the house or at the gymnasium Friday afternoon. You will perhaps want to take Mrs. Glenn to the house and then come up to the gym.

With best wishes, I am

Sincerely yours,

Director of Physical Education and Recreation,
Varsity Basketball Coach.
