

PROTEX Specialties

PROTECTIVE CUPS

At Left—PROTEX Featherweight No-Bruise Cup (Patented)—Light and comfortable. Recommended for all sports. Rounded edges prevent bruising.

At Right—PROTEX Aluminum Cup (Patented)—Light in weight. **Guaranteed** for all sports. A Felt padded aluminum cup (not illustrated) can be supplied at the same price. Rounded edges prevent bruising.

PROTEX SHORTS

Modern underwear for modern men! Fine fabrics carefully tailored. Built-in PROTEX Support, with comfortable patented Protex design. Exclusive Protex fea-

tures provide an inward-and-upward lift, for sagging abdomens and assure the trim, alert appearance that modern men desire. Varsity Shorts fit waist 26" to 35", Senior 36" to 52".
