Mr. Forrest C. Allen,
University of Kansas,
Lawrence, Kansas.

Dear Mr. Allen:

For some years we have been conducting an annual Basketball Clinic at Gettysburg College for the benefit of high school and preparatory school coaches in our section of the country. We have had the pleasure of having Clair Bee and Dr. Carlson conduct the Clinics in the past.

We intend to hold the Clinic this year on Saturday, December 9th. We will greatly appreciate it if it would be possible for you to conduct this Clinic for us this year. Will you please advise me if you can do this and what fee you would expect.

I feel very certain than a Clinic conducted by you would be greatly appreciated by the basketball coaches of our section and I know it would be profitable to them. I know that you could expect quite a group to attend.

Very truly yours,

C. E. Bilheimer
