Mr. Blaine E. Grimes,
2301 N. 10th St.,
Kansas City, Kansas.

Dear Blaine:

Thank you for your fine letter as of August 31. I have been out of town quite some time and am now getting around to the details of my office.

I am wondering about Bob Somers and wondering how much work he would have to have. The fact that he lives in Missouri would make the tuition double for him (unless he fortunately lives over in Kansas).

Blaine, I just haven't any jobs for the basketball boys on this kind of a set up. A Kansas boy can come here and pay his small tuition and we can help him with a job, but unless a Missouri boy has enough money to pay his tuition, board and room, it is almost impossible to help him.

It was swell of you to write me and I appreciate your interest. Won't you write me and give me more details?

With all good wishes, I am

Fraternally yours,

Director of Physical Education and Recreation,
Varsity Basketball Coach.
