Mr. R. E. Weinzettel,
Medart Manufacturing Company,
St. Louis, Missouri.

Dear Mr. Weinzettel:

I am enclosing another inquiry that I have received about "Goal-Hi". I am sending all of these on to you so that you can follow up immediately with a letter from your office. I feel that we should send all of these people some definite information on the rules and equipment.

What date are you suggesting that the rule book will be available for distribution?

Sincerely yours,

Director of Physical Education and Recreation,
Varsity Basketball Coach.
