Mr. John H. Glenn,
Beardstown, Illinois.

Dear John:

John Buescher got in Lawrence Tuesday night and came to my office Wednesday morning. He is looking fine, and we are mighty glad to have him. He has had rush dates with the Phi Psis, Sig Eps and Sigma Chis, and is getting to meet a lot of the boys.

Mrs. Allen is pleased with her assignment, and I am sure she will carry it out in fine shape.

We greatly appreciate the interest you have taken in John, and I am quite sure we are going to be immensely pleased with him here. He is a fine boy.

With best wishes, I am

Sincerely yours,

Director of Physical Education and Recreation,
Varsity Basketball Coach.
