

October 9, 1939.

Mr. John H. Glenn,
Beardstown, Illinois.

Dear John:

John Buescher is very much better and is back in school again. He looks fine, and I believe the rest he had in the hospital has done him a lot of good.

Jane went to Chicago to see the Oklahoma game Saturday, but haven't had her report on it as yet. Milton and Isabel saw the Nebraska-Minnesota game at Lincoln, and Bob and Eleanor saw Kansas whip Iowa State. So all of our youngsters covered the winning gridirons of America.

Don't worry about Northwestern. Lynn Waldorf has the stuff, and if there are any games to lose I am sure he would rather lose a non-conference game.

With best wishes to you and yours, I am

Very sincerely yours,

Director of Physical Education and Recreation,
Varsity Basketball Coach.
