Dear Phog:

I wrote yesterday about six tickets. We have decided to bring our first team squad down and there will be twelve. If you would reserve 12 tickets for me, I certainly would appreciate it. I would like to have the best seats available, regardless of the cost. We will be in Lawrence tomorrow afternoon. If the ticket office isn't open Saturday afternoon we will go to the ticket office Saturday evening and see if you have left the tickets there. With kindest personal regards and wishes for your continued success, I am.

Cordially yours,

*Bus Boyd.*
