Dear "Phog":

I am replying to your favor of November 22. If it would be possible for you to visit us and speak in our assembly Monday morning, December 12, please advise me immediately, and we will arrange our student assembly on that date accordingly. *OK*

Please advise your Mr. Crow and Mr. Davidson to feel free to drive down any afternoon or evening during the week. I will be gone Friday of this week but any other day in the immediate future, so far as I know, we will be here.

Yours sincerely,

R. E. Gowans, Principal
