University of Kansas
Lawrence, Kansas

Dear Doctor Allen:

Just a few lines to inform you that I am looking forward in seeing you here in Chicago during the week of April fourth while you are attending the National Basket Ball Coaches Convention.

I thorough^{ly} realize that you will be busy during your short stay here, however, I thought perhaps we might have dinner together some evening that is convenient with you.

I will phone you sometime during the first day of the Convention.

Please give my kindest regards to Mrs. Allen.

Sincerely yours

John H. Glenn
