Dear Mrs. Gould:

Thank you very much for your thoughtfulness in sending us your congratulations on your post card of March 3. It was very nice of you to write me, and I am very happy that WREN made it possible for you to hear the game.

The University Band and her organizations line up our boys in a wonderful way.

I sincerely trust that you have heard from Edy and that she suffered no ill effects in the California flood.

With deep appreciation, I am

Sincerely yours,

Director of Physical Education,  
Varsity Basketball Coach.
