Dr. Forrest C. Allen:
Kansas University
Lawrence, Kansas.

Dear Dr. Allen:

As of the conversation we had Friday night, what could the University offer in the way of completing my degree (Master's in Phy. Ed.). I now have 20 hours of graduate work at Iowa Univ. I need a 4 hour thesis and a minor of 6 hours in another field (they suggest hygiene) to complete the requirements for a degree in August. My thesis is "A course of study for Adult Social Recreation Leaders".

Of course I want to finish at Iowa but if they will not approve my thesis before summer school I believe it would be best to enroll elsewhere.

A am

Respectfully

Leo J. Green
