

April 19, 1938.

Mr. John J. Gallagher,
Director of Athletics,
Niagara University,
Niagara Falls, New York.

Dear Coach Gallagher:

Thank you for your kind letter of April 12. I am glad to send you a copy of our evaluation charts.

In regard to a picture of Dr. Naismith I made inquiry at Moore's Studio, one of our local studios here in Lawrence, and find that they do not have any pictures made up, but will be glad to do so on your order. A gloss 8 x 10 will cost \$1.00; a photograph, finished and in a folder, 8 x 10 size, will cost \$2.00.

I told the people at the studio that I would pass on this information to you, and if you wanted them to make up a photograph you could either write them or me. We shall be very glad to get Dr. Naismith's autograph for you, as he comes over to the University quite often. Please feel free to call upon us.

It was good to see you at the convention in Chicago.

With best wishes, I am

Sincerely yours,
