Mr. John J. Gallagher,
Director of Athletics,
Niagara University,
Niagara Falls, New York.

Dear Mr. Gallagher:

I find that your good letter of April 23 has been unanswered with the exception of my secretary's communication to you on the 27th of April.

If you have not already filled your group, why not put Mr. Henry Iba, the young and successful coach at Oklahoma A. & M. College, Stillwater, or Mr. Bruce Drake, the youthful coach at the University of Oklahoma, Norman, on your list? Both of these are fine young men and should make very intelligent cooperators.

Regretting that I have failed to answer your communication sooner, and with best wishes for a pleasant summer, I am

Sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.
