My dear Dr. Allen:

In reference to our Basket Ball Game about which I called you, I wish to state that I would appreciate it very much if you could supply us with a referee. If we could obtain one we will provide the transportation and call for him at your office at one o'clock Tuesday. However, we play on an outdoor court so if the weather is not favorable we will have to cancel the game.

I hope this arrangement meets with your approval, but if not you may call me Monday night. My telephone number is 3153W.

Sincerely,

(Miss) Johanna Griffis.
