

OTTAWA UNIVERSITY

our High School ^{OTTAWA, KANSAS} Coaches, I am more certain than ever that a Commissioner who assigns officials for a conference is a very necessary evil! That system avoids lot of complications!

Also - Kansas City Junior College has done an about-face and has decided to come here the night of the 10th after all to play our Freshman crew. That will revert us back to our original plan for one game only that night. However on Tuesday I shall bring my Freshman outfit along to "Sermon" - your B team after the Varsity "Carnage" is finished & Heaven keep us!

I guess the Pitt boys didn't want any more travel-education - especially unless it was done right!

Sincerely -
Dick Podany
