Dr. F. C. Allen,

Lawrence, Kansas.

Dear Dr. Allen, - Following the death of Mr. Golay on August 11th we are trying to arrange our plans for the coming winter.

I should like to make an appointment with you to have a frank talk as to possibilities for George at Kansas U., also want advice as to your opinion of the advisability of his continuing there.

Will you let us hear when it will be convenient for you to see us.

Very sincerely
Alice H. Golay.
