Mr. Armin Barteldes,
The Barteldes Seed Company,
1521-25 Fifteenth Street,
Denver 17, Colorado.

Dear Armin:

I sent the book out pronto. I don't know which one of the big bullies was my boy, but I remember you once before telling me about that guy of mine, so I believe he must have stuck his knee in Frederick's abdomen with an emphasis. You know these Allen guys always were bullies.

But I don't know any of them that can play golf as well as the Barteldes.

I too am sorry that I missed you when I was out for the tournament. I got in Sunday night and left Tuesday afternoon. During that short stay it was impossible to see a lot of friends that I would liked to have seen, you among them.

With all good wishes, I am

Sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.
