Kansas City, Mo.

Dear Frank:

Please do not worry about me. I am not as tough as you perhaps think. I was sounding a word of caution for the future which I think is very apropos in these troublesome times. I will be glad to see you when it is convenient.

This morning I just received a circular from Pepper-Upper Charles Strickland who is putting on a great Phi Kappa Psi outing and rushing party at Mason City, Iowa, on Saturday, August 16th. He has a great set-up and I have agreed to attend the meeting and be one of the animated cartoons for the dinner festivities which will be held at Mason City Country Club.

I am to be at a coaching school at Boone, Iowa, which is sponsored by the Iowa State High School Athletic Association the week of August 18th, and I am going up a couple of days early to be with the northern Iowa alumni group and their rushees.

I trust that you are meeting with success in your very strenuous summer vacation. I know how much of a burden it is upon you and a few of the fellows who undertake to do this work with very little thanks. I always admire a man who is willing to do it and I congratulate you for giving the time to it.

Fraternally,

Director of Physical Education and Recreation,
Varsity Basketball Coach.
