

Notice of the receipt of said petition and the time when the same will be considered shall be given immediately by said clerk to the executive officer of said city and school district by mail, and said clerk shall direct that said joint meeting shall be held not less than five (5) days nor more than ten (10) days from the date of the receipt of said petitions.

Section 6. Upon the adoption of such proposition by a majority of those voting on it at said election, the governing body of such city or school district shall by appropriate resolution or ordinance provide for the establishment, maintenance and conduct of such supervised recreation system as they may deem advisable and practicable to provide and maintain out of the tax money thus voted. And said governing body may designate by appropriate resolution or ordinance a board or commission to be vested with the powers, duties and obligations necessary for the establishment, maintenance and conduct of such recreation system, as provided for in this act.

Section 7. When the provisions of this act shall be adopted by the electors of the city and school district jointly, then the governing body of the city and the governing body of the school district shall each select one of their members to serve upon said recreation commission and the persons so designated shall appoint not to exceed three additional members to serve upon said recreation commission. All of the members of said recreation commission shall serve without pay for their service as members of said commission. Said commission shall elect a presiding officer and secretary-treasurer, and the disbursements made by said commission shall be paid by voucher, and the claims paid by said commission shall be duly verified. That the amount received from the foregoing tax shall be set over to said commission and used by said commission for the purposes herein set out.

Section 8. When the provisions of this act are adopted by a city and school district jointly, said tax shall be levied upon all of the taxable property within said city or school district, whichever is the larger. The tax so levied may be levied outside of said aggregate levy limitation prescribed by any of the statutes of this state. The governing body of such city or school district adopting the provisions of this act at an election and until revoked by an election by a majority of the qualified voters thereof shall thereafter annually levy and collect the tax above set out, which tax shall be designated as playground and recreation fund and shall be levied and collected in like manner as the general tax for such city and school district.

Section 9. This act shall take effect and be in force from and after its publication in the official state paper.
