Dear Sir,

The boys here in the house are remodeling our library, and would like very much an autographed picture of you to put up along with those of other nationally famous Phi Psis. We have already received pictures from several of these men, and hope to have a good collection by the time the redecorating is finished.

We would like to extend a cordial invitation to you, and your friends to visit the chapter at any time.

Fraternally yours,

H. L. Cramer Jr.
