

Folk Festival DANCE

SATURDAY, October 28

The Department of Physical Education, the Y.M.C.A., the Y.W.C.A., and the Advisers of Men and Women are cooperating in plans to bring Dr. Anne Schley Duggan to the University of Kansas on October 28 for special teaching sessions of folk dances.

Dr. Duggan, who is head of the physical education department at the Texas State College for Women, Denton, Texas, is one of the outstanding dance teachers in the country. She ranks along with Elizabeth Burchenal and Mary Wood Hinman, both experts in the folk dance. Dr. Duggan received her undergraduate training at Baylor College for Women, Belton, Texas, and her graduate work was done at Columbia University, New York City, where she received both the master's and doctor's degrees.

Dr. Duggan will teach authentic dances which she is preparing to publish in book form. The copies will be available on mimeographed sheets. Dances which will be taught include Swedish, Norwegian, Danish, Finnish, Swiss, English, and early American. All sessions of the Festival will be held in the Memorial Union ballroom. The hours are 10 to 12 in the morning, 2 to 4 in the afternoon, and 9 to 12 at night. The registration fee is \$1.25 for adults and 75¢ for students (University, high school, junior high). This will admit to all three sessions of the Festival. If you care to register early, the fee will be \$1.00 for adults and 50¢ for students. This early registration fee may be sent to the Physical Education Office, room 105 Robinson Gymnasium.

The program Saturday night will be climaxed by the "First Annual Jayhawker Barn Dance", in the Memorial Union ball room, from 9 to 12 p.m. A hill-billy band will furnish the music.

Miss Jane Byrn, of the K. U. Physical Education Department, is chairman of a committee planning the program for the Barn Dance, which will include various contests, a spelling bee, hog calling, cornhusking, and so forth.
